

Did you know people can die from complications of constipation?

Derbyshire Healthcare
NHS Foundation Trust

Are you a Carer for someone with a learning disability?

You are invited to a Constipation awareness session

Could you spot complications in the person that you care for?

14th February 2018, 1.30pm—3.30pm

Room 7

The Centre for Research & Development, Ashbourne Centre,
Kingsway Hospital, Derby, DE22 3LZ

(Please note Vehicle access to Kingsway is now from the new road from the Kingsway retail park island.)

This Free Constipation Awareness session aims to raise awareness of:

- What is Constipation, signs and symptoms.
- Causes
- Effects and Complication
- What we can do about it.

To book a place please contact the Strategic Health Facilitation Team on: **01332 268455**
