BENNERLEY FIELDS SCHOOL

CRITICAL INCIDENT MANAGEMENT PLAN

This plan has been prepared and agreed by the staff and Governors of Bennerley Fields School to assist in dealing with critical incidents on or off the site that affect the school community.

Aims

The aims of the school's plan are:

- * To provide support to all children and staff affected by the incident.
- * To maintain the normal running of any parts of the school not affected.
- * To return the whole school to normal as soon as possible.

Types of Incident Covered by the Plan

A Critical Incident is defined as an emergency affecting pupils, personnel or property, requiring immediate responsive action beyond that which could be reasonably expected from the school's own management team during the day to day running of the school.

It may involve:

- * the death of a child, staff member or governor;
- * a serious accident involving children and/or school personnel on or off the premises;
- * a violent intrusion onto school premises (e.g. an armed intruder or a bomb alert);
- * extensive damage to school premises;
- * the release of hazardous substances near or on the school site.

Notification of Incident

You may hear about the incident from a number of sources:

- a staff member
- a pupil
- the police
- parents
- the media
- County Council

Whoever receives the alert should ask for as much information as possible:

- the name of the caller
- what has happened?
- have the emergency services been informed/are they attending?
- exact location (and any access problems if not on site)
- casualties
- actions taken so far
- name/contact at the scene (if not on site)
- what assistance is needed?

(An aide-memoire is attached to be kept by the school telephone. A log sheet is also included in the plan for use by staff to record information and actions.)

The Headteacher or Deputy Headteacher will decide on the level of response needed:

- can the school cope alone?
- if not, the Education Department or County Emergency Planning Officer will be contacted bearing in mind the capabilities of other organisations, who can be alerted via the County Council

Contact List and Call Out Arrangements

A school contact list of home/work addresses and phone numbers is attached to this plan. These are available only to staff authorised to have access as part of the plan in order to preserve confidentiality and to

Critical Incident Management Team (CIMT)

The CIMT will comprise:

Headteacher

Deputy Headteacher

Chair of Governors (where contactable/available)

Base for Critical Incident Management Team

The base for the CIMT will be the Headteacher's Office where it is still possible to use this. The reserve on-site location will be the Meetings Room (Early Years Building). In cases where it is not possible to use the school premises as a base, the CIMT will make use of Cotmanhay Junior School, Beauvale Drive, Ilkeston DE7 8RR.
