O. TENDERING AND QUOTATIONS

Each school's maximum tendering threshold is determined by the following formula:

£10,000 plus 1% of a school's budget (to include Schools Block, High Needs Funding (ERS and SEN TA funding), EYSFF, Post 16 funding; excluding rent and rates).

If the calculation of the above generates a figure of less than £30,000, then that is the maximum tender limit for your school.

If the figure generated is over £30,000, then your maximum tender limit is £30,000, (applies to schools with budget / income streams of over £2,000,000).

Schools can have a lower tender limit if they wish (Not recommended to be lower than £10,000).

Consequently the School's tender limit is £25,000

* Schools are advised that, in operating within this increased upper threshold, they should consider:

- tendering below this if they feel it is of benefit on a specific scheme; and
- reviewing their internal authorisation limits regularly as part of the SFVS governance framework.

1. Where the estimated value or amount of a proposed contract exceeds each school's tendering threshold, tenders shall be invited either by selective or open tendering as lay down in D.C.C. Standing Orders. Tenders may be invited for items less than the tendering threshold at the request of the Finance Committee.

Open tendering: tenders shall be invited by giving at least ten days' public notice. The notice shall express the nature of the contract or where appropriate as required by EU Procurement Law.

2. The requirement to go to tender may be waived only by the Governing Body where they are satisfied that there are special circumstances justifying exemption. Such exemptions shall be recorded in the minutes with reason(s) for waiving the tendering requirements. Such as a Sole Trader.
3. Where the estimated value of a proposed contract does not exceed the tendering threshold of £25,000, but does exceed £500 alternative written quotations shall be invited by three firms/suppliers considered competent to perform the contract. (It is strongly recommended that where a planned project or purchase is non-routine and not obtained from an approved supplier three written quotations are obtained irrespective of the estimated cost in order to demonstrate best value).
4. The Finance Committee may waive the requirements for quotations below the tender limit where they are satisfied that there are special circumstances justifying exemption. Such exemption shall be recorded in the minutes.

5. An invitation to tender shall state clearly the closing date and time for receipt of tenders and that:
 - a) The Governing Body does not bind itself to accept the lowest or any tender.
 - b) No tender will be accepted unless it is enclosed in the special envelope bearing the distinctive label supplied with the tender form, properly sealed and addressed to the Head Teacher and either sent by post or hand delivered to the Head Teacher.
 - c) Proof of posting will not be accepted as proof of delivery if the tender fails to arrive at the address shown on the tender envelope label for the closing date and time.
6. No tender received after the closing date and time shall be considered (any such tender will be returned to the tenderer unopened by the Head Teacher).
7. Tenders shall be kept securely in the custody of the Head Teacher until the time and date specified for their opening.

P. UNOFFICIAL FUNDS

1. The Governing Body has responsibility for the unofficial funds of the School. The Head Teacher shall report to the Governing Body on the unofficial funds.
2. The Head Teacher shall arrange for a suitable bank account to be opened for any unofficial funds. A minimum of two signatories for the bank account shall be approved and reviewed by the Finance Committee and approved by the Governing Body. The number of bank accounts should be kept to a minimum. Bank accounts must be opened in the name of the School.
3. The Head Teacher is responsible for the maintenance of accurate financial records and banking records of all unofficial funds. The School Business Manager will maintain the records on a day-to-day basis.
4. The Governors should appoint an auditor to undertake an annual audit. The auditor should be independent of the operation of the unofficial funds and should carry out such an audit in accordance with advice issued by the Authority's Director of Finance.
5. The Head Teacher shall present annually the accounts of all unofficial funds including the report of the independent auditor, to the Governors for approval.

6. The running of particular activities (e.g. school journeys, tuck shop etc.) should not necessarily fall upon the School Business Manager but should be the responsibility of others who must keep suitable records. In the case of educational visits and school journeys, the teacher in charge should keep a simple account of the money received and spent and should present a final statement to the School Business Manager, supported by evidence of expenditure (e.g. receipts, invoices etc.)
7. The School Business Manager should maintain a cash book in relation to the fund and should record all transactions on the computerised accounting system so that statements of income and expenditure can be generated at any time.
8. All income must be banked intact at least weekly or as the cash in hand exceeds £500. (Or approved limit for your safe if applicable).
9. All payments must be supported by vouchers giving full details of the expenditure.
10. All payments should be made by cheque.
11. No payments for overtime to members of staff or for payment of fees to staff for carrying out additional work as part of their normal duties should be paid out of the School fund.
12. The accounts should be prepared to run from 1st September to 31st August each academic year and an annual summarised statement of receipts and payments, supported by the subsidiary records and vouchers, must be submitted for audit as soon as possible after the end of the accounting year.
13. The auditor must be a person who has not otherwise been involved in the management of, or had close connections with, the fund or been involved in the fund raising activities.
14. Under no circumstances must personal cheques be cashed from the School fund.
15. To provide transparency, summary information should be published on the School's website.

Q. TRAVEL AND SUBSISTENCE

1. The claiming and payment of travel and subsistence expenses is based upon the principle that the journeys and expenses are actually and necessarily incurred to enable members of staff to perform their duties, and are appropriately authorised. All claims must be supported by a bona fide receipt.
2. The completion of claim forms should be checked by the School Business Manager and authorised by the Head Teacher or Deputy Head Teacher. (NB. Staff should never authorise their own claim)
3. Claim forms should be forwarded to the Authority's Shared Services Centre where the payment will be processed.
4. Governors may claim expenses in accordance with the Policy on Paying Governors' Allowances.

R. HOSPITALITY AND GIFTS

1. Hospitality may only be accepted where it is of minimal value, with no attached conditions, and is secondary to the specific working arrangement. Where hospitality is offered, it shall be reported to the Head Teacher regardless of whether it is accepted. If hospitality is offered to the Head Teacher this should be reported to the Chair of Governors.

2. Gifts of a nominal value with no attached conditions, such as calendars, diaries etc. may be accepted if they are retained within the School.
3. Gifts of more than a nominal value offered to employees by contractors, organisations, firms or individuals should always be declined.
4. Offers of gifts and hospitality that are not accepted should also be recorded.
5. All offers of gifts and hospitality should be recorded in gifts and hospitality register and an independent employee should periodically review the entries made in the register and evidence the review.
6. Where delegated or unofficial funds are used to pay for staff hospitality e.g. to celebrate an Ofsted success or provide a meal on an inset day, the financial value received by each member of staff must be notified to the County Council's Shared Services Centre as a potential 'benefit in kind'.

S. RETENTION OF RECORDS

1. All financial records should be retained in accordance with the Authority's retention guidelines. The majority of financial records should be retained for six years, plus the current year, or back to the previous audit inspection, whichever is the longer period.

Certified, paid invoices must be kept for the current year plus the previous six years in a safe, secure environment which will enable easy location and be available for inspection by HM Revenue and Customs (HMRC). Schools using SAP will not retain invoices as they are sent to the Local Authority where they are scanned and then destroyed (approved by HMRC).

2. Disposal of confidential information and records should be done in a secure manner.
3. The School should approve a schedule for the retention of financial and non-financial records.

T. EXTENDED SERVICES CODES

If a school decides to provide extended or 'wraparound' services these need to be formally agreed and approved in advance by the Governing Body. In addition, a nominated officer should be appointed within the school to manage and coordinate the additional services and ensure that the Governing Body is provided with regular budget monitoring information on the financial position of the services being provided.

To enable the Governing Body to make informed decisions on the effectiveness of any extended or 'wraparound' services provided by the school, an initial projection of income and expenditure plan must be prepared. The plan should include details of all potential 'losses' to the school so that the Governing Body can approve the funding that will be required from the 'mainstream' school budget to support such services. Where the initial funding from the 'mainstream' budget is not sufficient, approval of the Governing Body must be obtained for any additional shortfall in advance.

Costs and income for extended or 'wraparound' services including childcare for Out of Hours and Breakfast clubs etc. wherever possible should be recorded using the extended services codes shown below. It is important that on-going monitoring of income and expenditure of such activities is undertaken so that the Governing Body is fully apprised on the impact of the additional provision on the school's budget. The financial information relating to extended or 'wraparound' services including any identified losses should be reported on a regular basis with the agreed actions and approvals formally recorded within the Governing Body minutes.

If the codes below are not used, internal monitoring of costs incurred against other codes will need to be performed. Transfers of costs between codes can be actioned in school to simplify the monitoring process.

The Codes to be used are as follows:

Extended Services Employee Costs:	111500 – 111515
Extended Services Resources:	146150
Extended Services Income:	231080

Out of Pocket Expenses

Trips

When booking trips please enquire if the school can be invoiced for the cost.

If this isn't possible and a cheque is required to take along please inform the office a few days before the trip as two signatures are required and one of the signatories may be out of school on the day of the trip.

Any further costs incurred on the trip, ie snacks etc, should be claimed by the standard procedure (see details below).

Cooking

It will no longer be possible to obtain cash from the office to pay for goods prior to purchase. Costs should be claimed by the standard procedure.

Procedures for claiming back expenses (other than mileage) from the school budget

Please try wherever possible to purchase items through the normal school official ordering system, thereby saving the cost of VAT to the school budget.

If this isn't possible claims will be made in the following way, on production of a receipt and a claim form. Please write on the receipt your name and the budget and attach to a completed claim form. Claims must to be submitted within the same term the purchase was made.

Claims up to £10 will be refunded in cash.

Claims up to £25 will be refunded either by cheque or using the LA vendor system.

Claims over £25 will be refunded by the Local Authority through the vendor system, which will entail staff supplying bank details to the school administrator who will then forward this information to Matlock. Staff will then be set up on the Derbyshire system for future repayments. A cheque will be sent from Matlock to staff at their home address.

Out of Pocket Expenses - Payments to Employees

If a member of staff purchases an item or items on behalf of the school then this can be claimed back, however, the method of claiming has changed. It is advised that purchases up to £10 are paid from the Petty Cash or Imprest accounts. If it is greater the following must be carried out to reimburse the school employee.

Set up the employee as a new vendor on the MD5S Master Data form (version 9). Include the employee's bank details to speed up the payment process.

Ensure that the employee signs the form to confirm the bank details.

The completed form should be emailed to the Master Data team at:

SAP.finance@derbyshire.gov.uk

Alternatively it can be scanned and emailed or faxed to 01629 538728 or posted to Master Data Team, Room 243, PO Box 2 County Hall, Matlock DE4 3AH.

An order will need to be created for each employee and this can be used for each payment made throughout the financial year.

If you are in any doubt, contact your School Support Finance Patch Officer.
