

Private

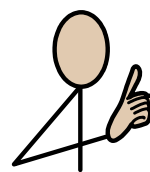

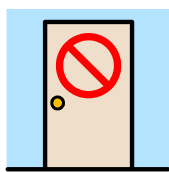

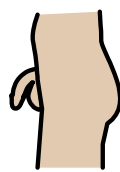

Time

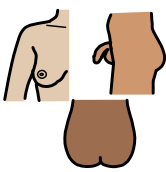

You are growing up and your body is

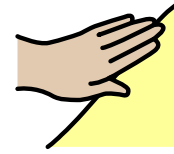

changing.

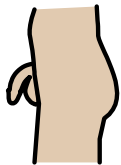

Your penis is private. No one should

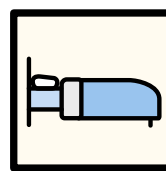

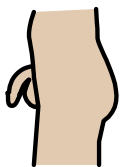

see your private parts.

Sometimes you might want to touch

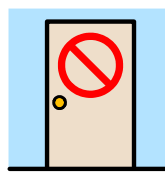

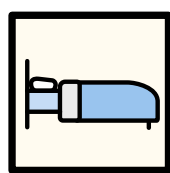

your penis. It is ok to touch your

own penis in your bedroom at

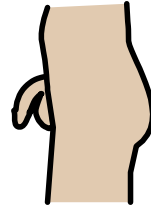

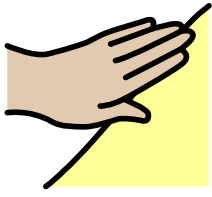

home.

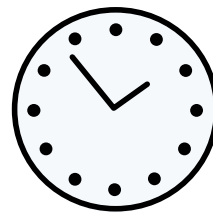

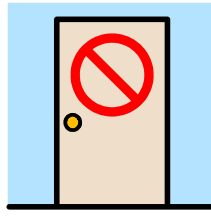

Your bedroom is private.

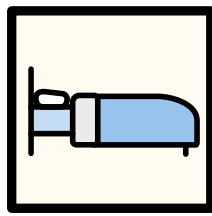

Touching your penis is

ok in private time in

your bedroom at home.

No one

see

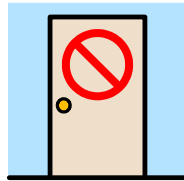

or hear

should

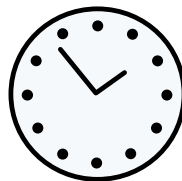

you

in

private

time.

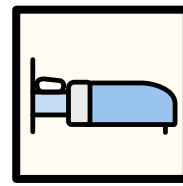

No one

should come in

your

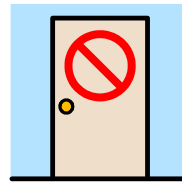

bedroom

when

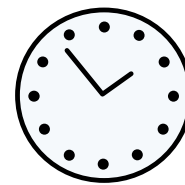

you are

having

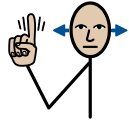

private

time.

You must not touch your penis:

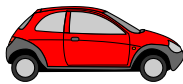

- at school

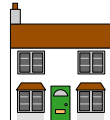

- at the shops

- in the street

- in the car or on a bus

- when visiting someone's house

- in the park

You need to remember the Private time rules:

1. Close your bedroom door.

2. Wipe your penis with a tissue if it is sticky when you have

finished.

3. Get dressed. Put the tissue in the bin.

4. Wash your hands after touching your penis.

5. Private time is private. You do not need to tell other

people about your private time.
