

# Body Hair

I am growing up.

My

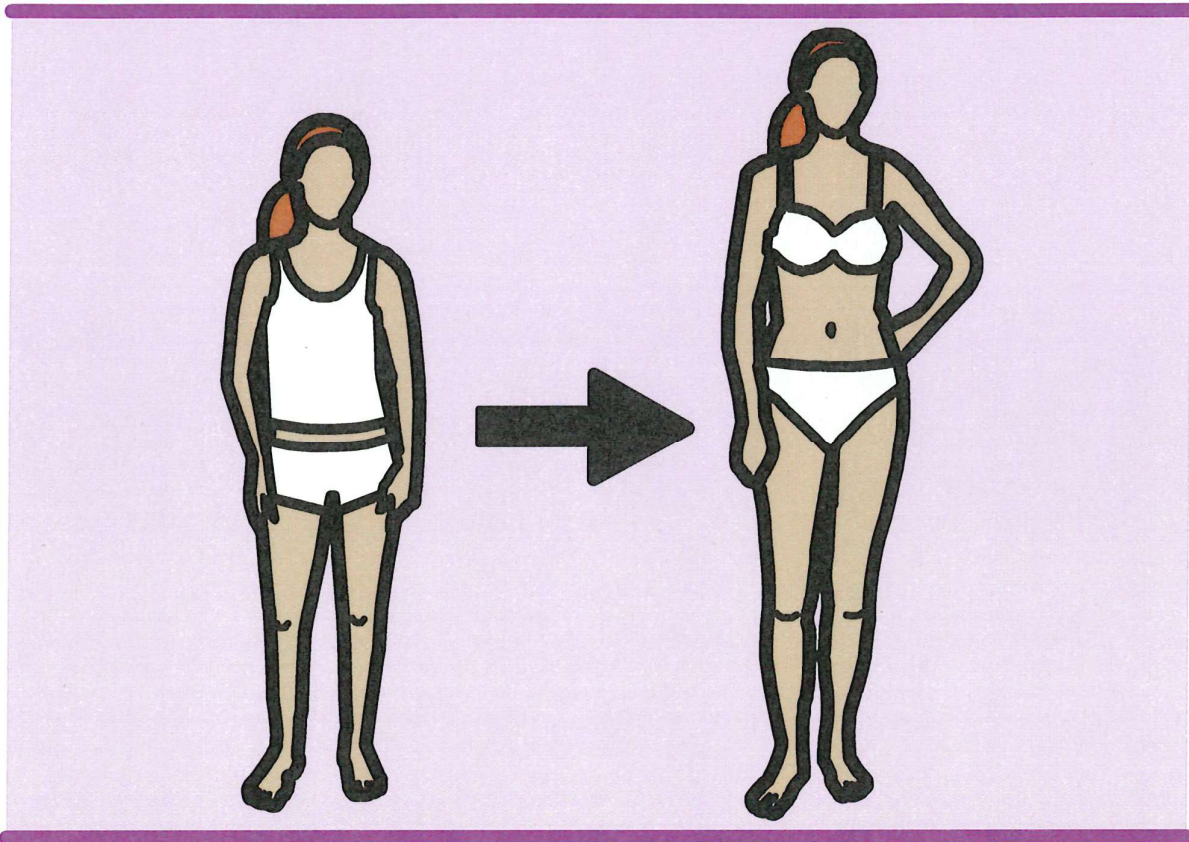

body

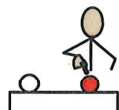

is

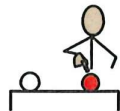

changing.

I will grow more hair on my body.

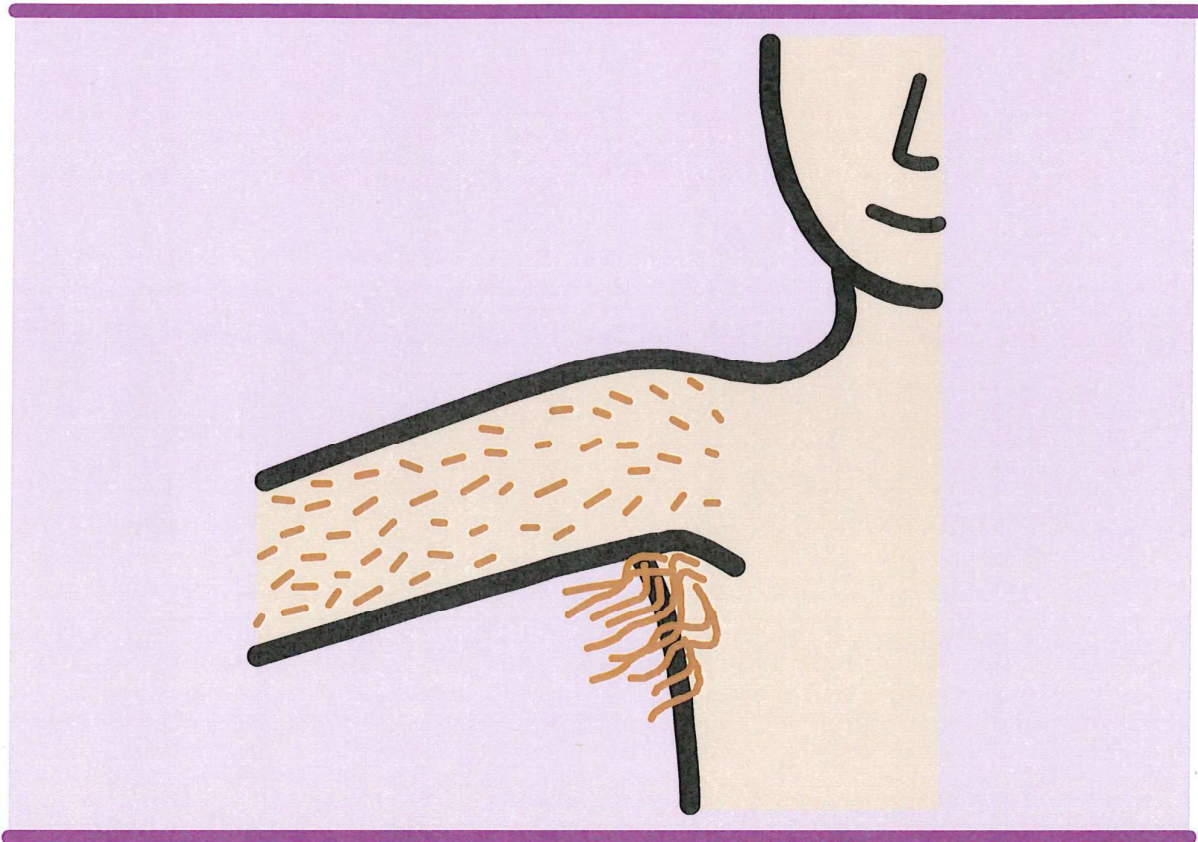

This is normal.

This is OK.

I

will

grow

hair

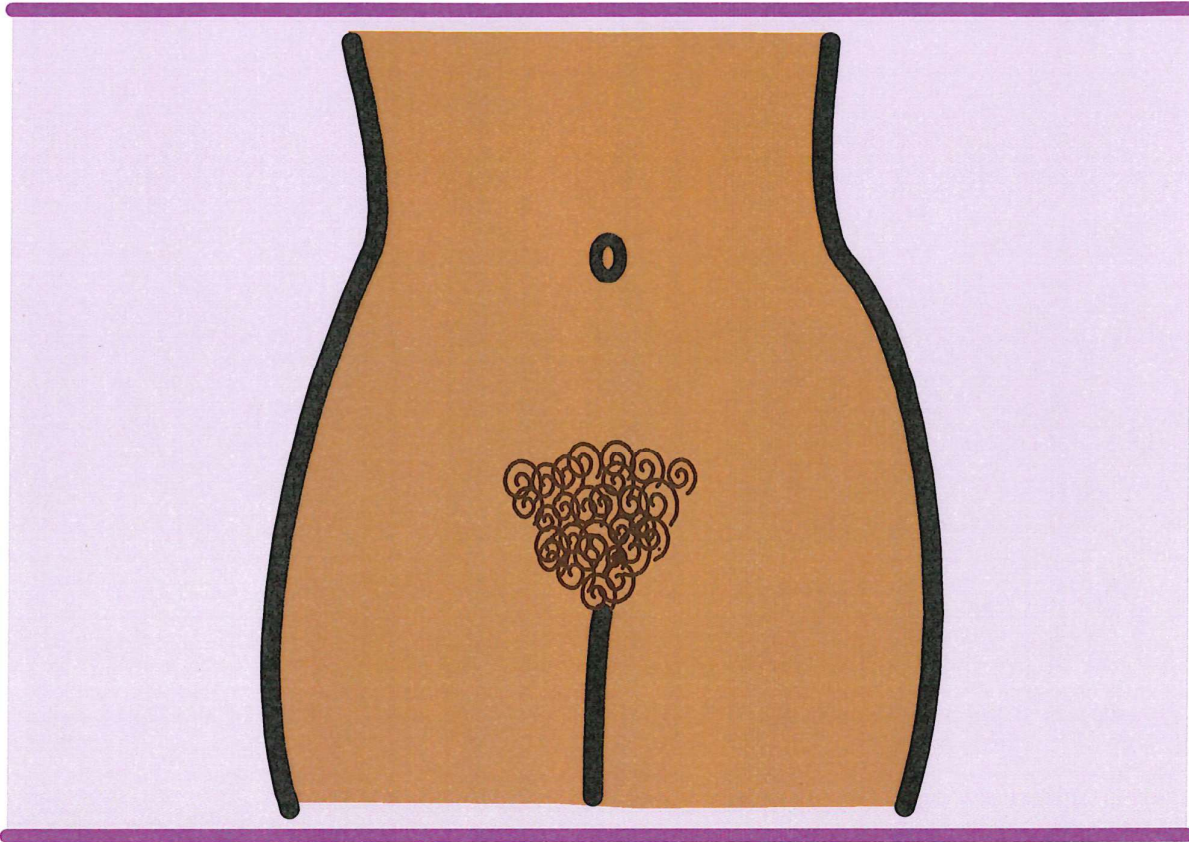

under

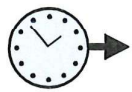

my

arms.

I

will

grow

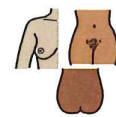

hair

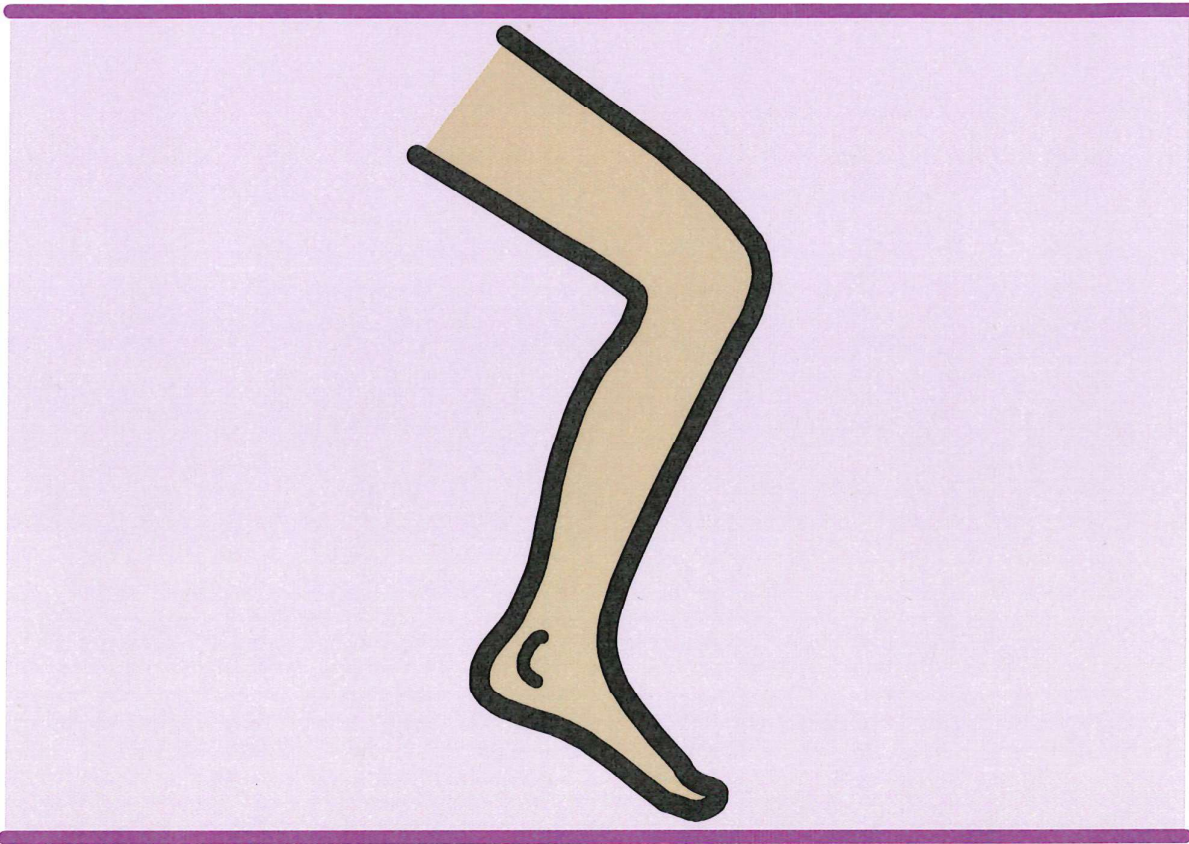

on

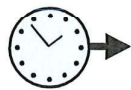

my

private parts.

I

will

grow

more

hair

on

my

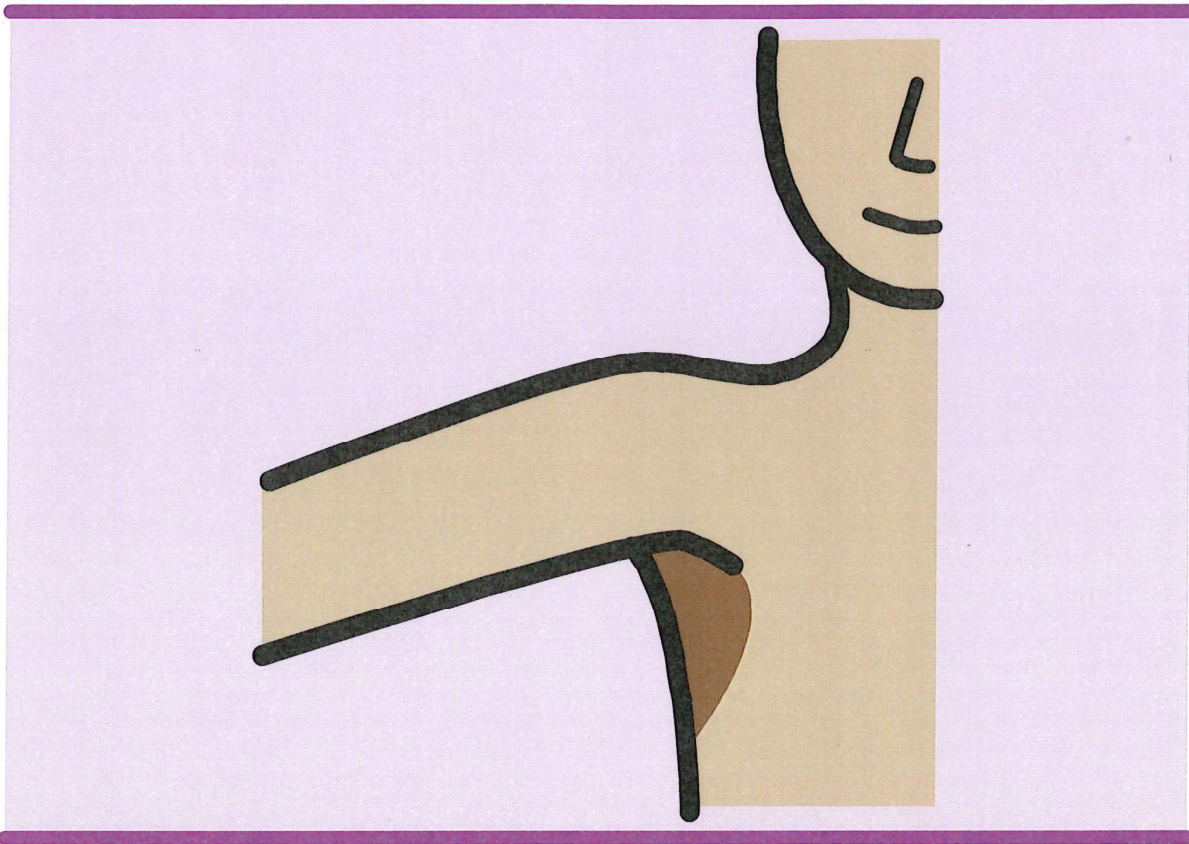

legs.

I might choose to keep my body hair.

This is OK.

I

might

choose to

remove

my

body hair.

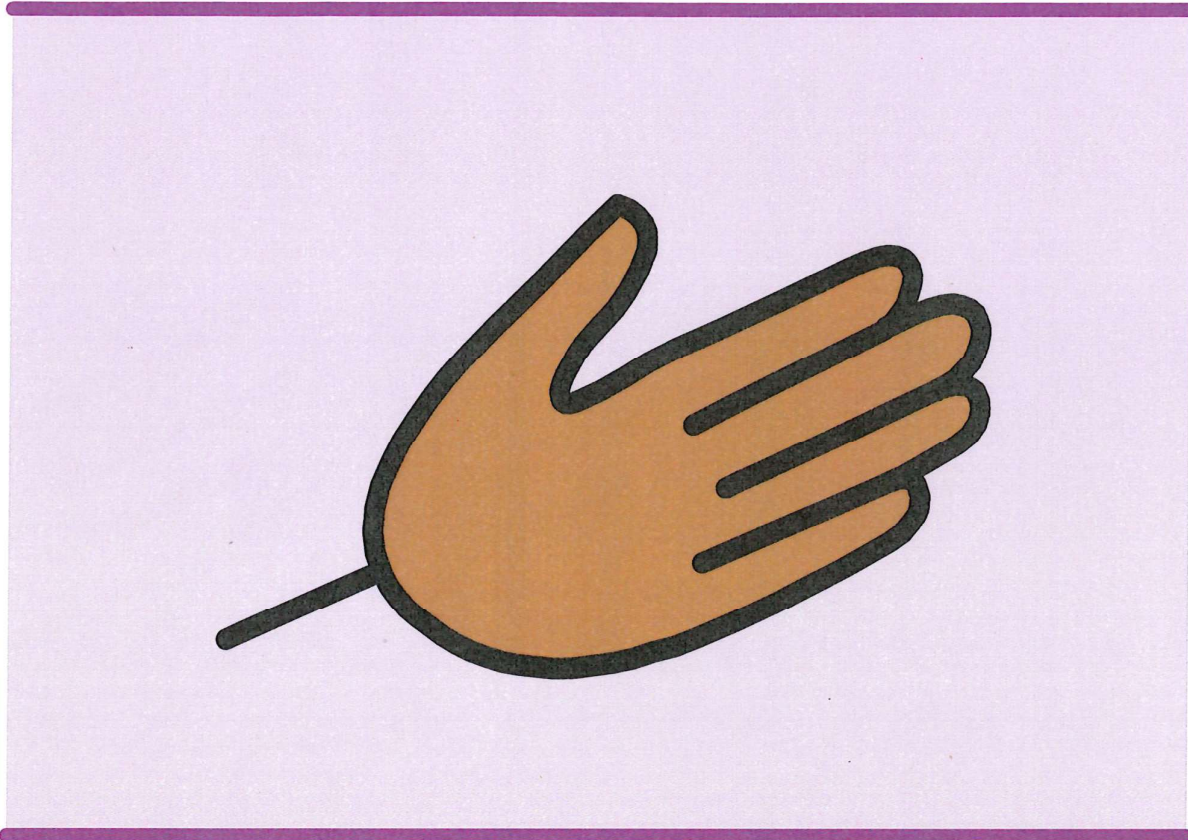

This

is

OK.

I

can do

this

by myself

or

ask

a

trusted adult

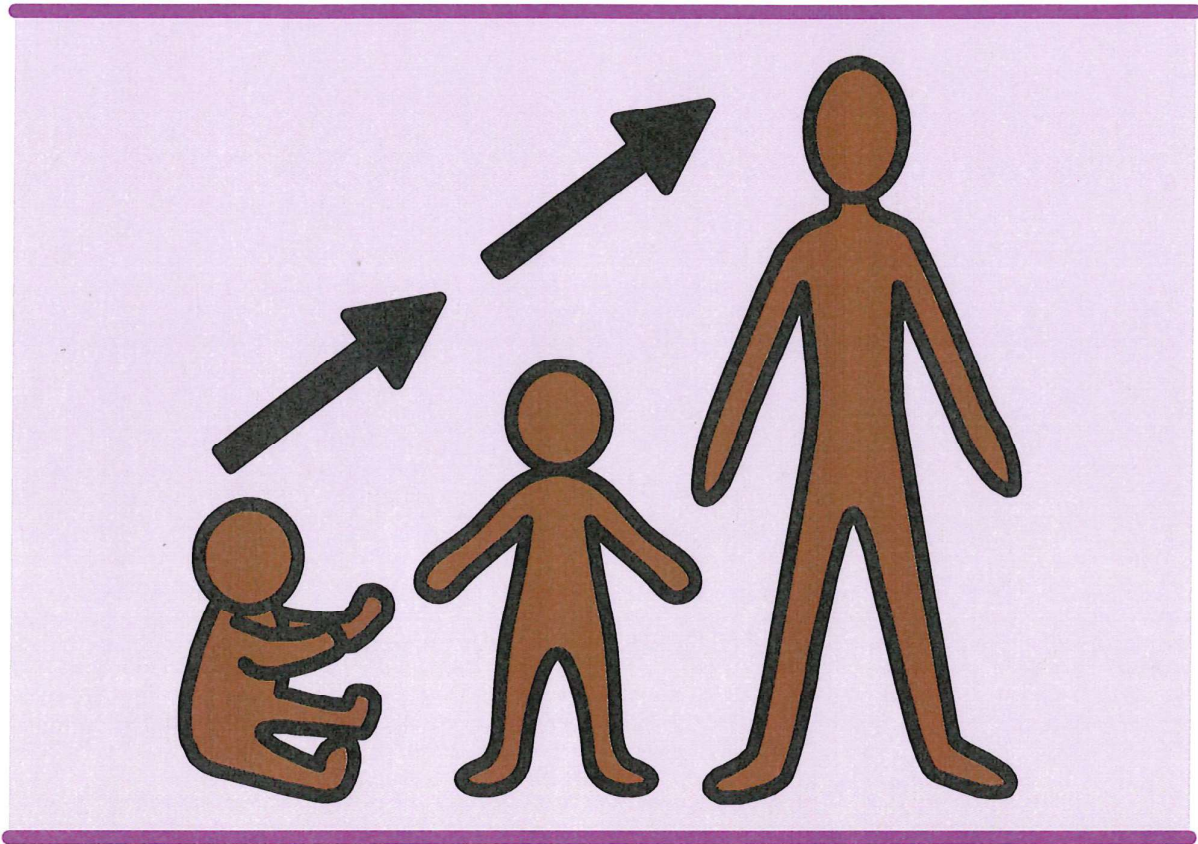

to

help

me.

This

is

happening

because

I

am

growing up.
