

Private

Time

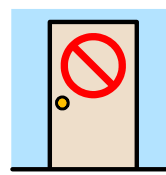

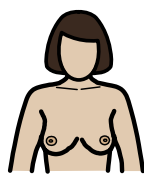

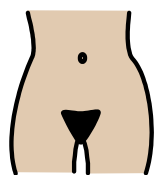

You are growing up and your body

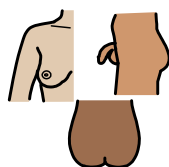

is changing.

Your vagina and breasts are private.

No one should see your

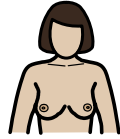

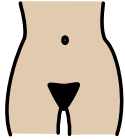

private parts.

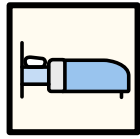

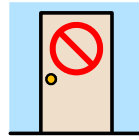

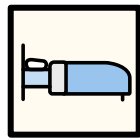

Sometimes you may want to touch

your vagina or breasts. This is ok in

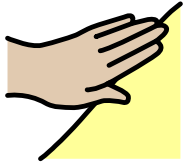

your bedroom at home.

Your bedroom is private.

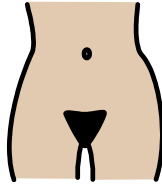

Touching

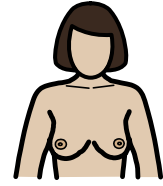

your

vagina

or

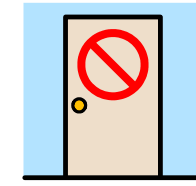

breasts

is

ok

in

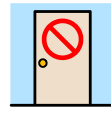

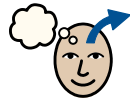

private

time at

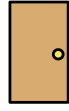

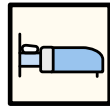

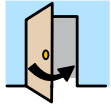

home.

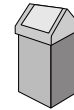

You need to remember the Private time rules:

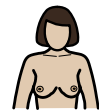

1. Close your bedroom door.

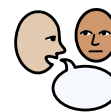

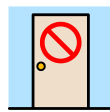

2. Wipe your vagina with a tissue if it is wet when

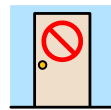

you have finished. Put the tissue in the bin.

3. Wash your hands after touching your vagina or breasts.

4. Private time is private. You do not need to tell

other people about your private time.
