22nd November 2023

Dear Parent/Carers,

On Tuesday 21st November we held a parent carer session for RSE (Relationship and Sex Education). Thank you for those parents/carers that were able to attend. For those that were unable to make it I would just like to update you on the event.

At first, we looked at policy and support we have for vocabulary regarding relationship and sex education. These were written last year in consultation with parents and carers. Please have a look on the school website Relationship and Sex Education tab for a copy.

Then a member of staff came from another local SEND school to share the resources that they use. Using the feedback from parents we will adapt these resources for use in our school.

The next plan will then be to share such resources and show how these fit into the curriculum.

We will continue to ensure that you are kept informed and as always will be made aware of when such areas of the curriculum are taught.

Kind Regards
Anna Shelton
Deputy Headteacher
